Feed and aid zones are properly located all throughout the route with everything necessary to provide food and hydration for participants during the stage.

Stages maps, profiles and other information are available on the website www.bikeadventure.pl

11. Results

Results will be published on results board next to Race Office and on website www.bikeadventure.pl

The results of each stage are arranged according on the time required to complete each one, plus added time penalties.

The total time of the completed stages with the total time of penalties establishes the overall classification.

There is result list for UCI Elite women and men. It is necessary to award these participants with UCI points and prize money.

Any participant who officially does not complete the stage is out of the result list and he is not finisher of the race.

Every participant has an electronic chip to register time and result. It is also able to keep the track and save it. The Commissaries must approve these times and results. Then results will be valid.

12. Penalties

UCI and PZKol. regulations are binding on penalties.
